THE LATTER-DAY SAINTS'

MILLENNIAL STAR.

VOLUME LXV.

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: then we which are alive and remain, shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord."—I. Thess. 4: 16-17.

PREFACE.

THE sixty-fifth volume of the MILLENNIAL STAR, with its record of the growth of the kingdom of God on the earth during another important year, is now completed. The contents speak for themselves. The effort has been made to introduce as much original matter as possible, and the contributors, both in Europe and in Zion, have labored purely from love of the truth. The minutes of the two General Conferences, the stirring articles of President Joseph F. Smith and other choice selections have been taken from the Utah journals of the Church, and to them and to all its contributors the STAR owes deep gratitude. In this connection we wish to mention specially the Rev. Henry Lansdell, whose series of instructive articles on Tithing is begun in this volume. It has been our effort and prayer that the STAR should do its part, not only to record, but to help forward the precious work of the Lord, to warn and prepare mankind for His terrible day, the resurrection and exaltation of the just, the downfall and punishment of the wicked, the establishment of the millennial reign of peace. May the Lord sanctify to this end what we have wrought in weakness.
